A Legacy of Exceptional Golf: 2025 Season

Summers in Vermont are short but sweet. For golfers, that means making the most of every beautiful Vermont day; there's no better place to make it happen than Cedar Knoll. Our distinctive 27-hole layout provides a foundation for the outstanding conditions, traditions, and events we boast. The strong, connected member base feels like home from your first visit...

As a family new to the world of golf, we weren't sure how well we'd fit into a sport that seemed, well, a little intimidating. But from the moment we stepped onto the lush greens of Cedar Knoll Country Club, we felt right at home.

- 2024 "Shirt of the Day" Runners-Up, The Jipner Family

Beyond the welcoming feel, you'll find 27 holes of meticulously maintained golf course. The grounds crew and clubhouse staff work extremely hard to ensure your experience is perfect: from the first tee till you're bellied-up at Red's Bar and Grille.

Beautiful condition consistently maintained (and) challenging golf course with a variety of interesting holes and views. Looking at the view from the great porch after golf (and) sitting with new and old friends may be the best part of the day. Can't wait for my 25th season in 2025 to see all the CKCC members.

- Longtime Member, Mr. Paul Sackett

Complementing the course are numerous amenities including a full-length driving range, practice area, and putting green. Our clubhouse features an air-conditioned restaurant and bar! All these facilities are central to the property and accessible every day of the week!

Cedar Knoll Country Club is a gem. Whether you're eyeing down a tournament winning putt or figuring out how to hold a club and just enjoying a family outing in the fresh air, there's no better place. We're grateful for every putt, every laugh, and every water hazard (sort of).
