## Membership Benefits & Application

For the 2023 Season...

Cedar Knoll Country Club is about to embark on its 30th season. This is your opportunity to join and enjoy the most unique golf membership Vermont has to offer. Boasting a 27-hole layout, practice facility, and welcoming clubhouse, CKCC's amenities are second to none. Our members describe it best...

***"We have been members at Cedar Knoll since 1999 despite having a 50 minute commute. We have seen dramatic improvements to all 27 holes over the last three decades, making it one of the best kept and demanding courses in Vermont. We love the competitive weekly leagues and tournaments and the great friends we've made there. Also, unlike other courses that close down for tournaments, Cedar always has nine holes available."***

*-Mike and Lisa O'Day: Long time members and recent DOGFIGHT Champions*

Our membership continues to show tremendous growth. New players discovering golf and those rediscovering the sport, like Emily, are now calling Cedar Knoll home for the summer...

***"From the welcoming atmosphere, well-kept course, and enjoyable tournaments all season long, you can't go wrong with a membership at Cedar Knoll. The women's league, probably one of the largest in the area, provided a perfect environment for golfers of all levels. From the minute you join, you feel like you are a part of the Cedar Knoll family. It's easy to see why people come back every year!"***

*-Emily Roth: New member*

We strive to provide the best conditions every time you set foot on the course. Our hardworking maintenance team works tirelessly to ensure exceptional and consistent playing conditions, seven days a week throughout the season...

***"Cedar Knoll is one of Vermont's finest hidden gems. The course layout is expansive, and conditions are always premium. There is a warm and welcoming atmosphere in the clubhouse that you won't find elsewhere."***

*-Mike Cormier: Returning member*

The clubhouse features everything you'll need to complete a fabulous day at the club. At the center of it all is Red's Bar and Grille, offering a terrific pub menu, daily specials, cold drinks, and a robust banquet menu. Recent upgrades to the clubhouse included new furniture and skylights in our beautiful post and beam dining room, with plenty of space to comfortably seat up to 100 guests. In the pro-shop you will find anything you need to get you around the course in addition to stylish golf apparel.

Our family and team are committed to providing the best possible experience to our members. We continue to invest in all aspects of the club, without additional fees or assessments. No other club offers such tremendous value, and we invite you to make Cedar Knoll a big part of your summer in 2023!
