A Membership at Cedar Knoll

Celebrating 30 Seasons of Exceptional Golf

In 1994 we embarked on a risky journey, transforming our multi-generation dairy farm into a 27-hole golf course and practice facility. The journey was not always easy, but 30 years later, Cedar Knoll members enjoy outstanding conditions, traditions, and events. Our member base builds year-over-year; but don't take our word for it, hear it from the members themselves...

I am proud to be part of the CKCC family ... I am always greeted with a warm welcome. [The club] has also made great strides for women's golf, [hosting] one of the largest ladies' leagues in the state of Vermont [and] bringing in ... Canadian long ball hitter Far Samji to hold clinics. I absolutely love my golfing adventures at CKCC.

- Angie Thibault

We are incredibly proud to offer a relaxed, family friendly atmosphere. Our growing junior and teenage member base is a testament to this fact. Great memories and friends are made at Cedar Knoll!

Our family has been proud members of Cedar Knoll Country Club for the past few years... Weekly leagues, tournaments, social events, and a family friendly atmosphere not only make Cedar Knoll a tremendous value, but a place that you and your golfing family can call home. We look forward to many more years to come at Cedar Knoll!

- David and Thu Grebe

Cedar Knoll is the only 27-hole facility in the area, giving you the most opportunity to enjoy your home course. Amenities from the golf course to the driving range, practice area, clubhouse and restaurant are all available to members and conveniently accessed by one common parking area.

The Greens are kept in 1st rate condition, rivaling some of the best in Vermont, and are very complex yet fair to play on. The course is constantly being tweaked to create a better golfing experience and our foursomes regularly agree that we couldn't find a better value than that at Cedar Knoll CC.

- Mike Landers

Don't miss out on the best value golf membership in all of Vermont. The golf at Cedar Knoll gets better year over year because we continually reinvest in our facilities. Additional information about what we've been up to and what we're planning is on the reverse side of this page.
